Ukraine In Ruins

Almost half of Ukraine lays in ruins today. Mulberry is hard at work providing the basic needs for hurting and displaced people: firewood, food, life-saving medicine and shelter.

Over 75,000 residential buildings are destroyed, 40% of the electric grid is critically damaged and lots of villages and small towns have been wiped out. Over 6,500 people have been killed, over 6 million displaced and over 8 million Ukrainian refugees have fled the country.

Nehemiah was a Jewish refugee, living in Persia in the fifth century BC. His beloved homeland and the city of Jerusalem were in ruins and destroyed by fire. (Nehemiah 2:3)

In distress, Nehemiah cried out to God to use him to restore and rebuild Jerusalem. God gave him the vision to accomplish this task. *“You see the trouble we are in: Jerusalem lies in ruins, and its gates have been burned with fire. Come, let us rebuild the wall of Jerusalem, and we will no longer be in disgrace.”* (Nehemiah 2:17)

God provided Nehemiah with everything he needed: permission from the Persian king to go back to Jerusalem and all the bricks and lumber to rebuild the walls of the city! An overwhelming task became possible because of God’s favor and provision.

“You see the trouble we are in: Jerusalem lies in ruins, and its gates have been burned with fire. Come, let us rebuild...”

(Nehemiah 2:17)

Just like in the times of Nehemiah, in the view of such devastation, the task of rebuilding and restoring hope in Ukraine seems impossible. However, we know that our God is able to provide and to restore hope. He has raised people like Nehemiah to lead the way and has given His people the heart and the resolve to step up to the task.

“They replied, ‘Let us start rebuilding.’ So they began this good work.” (Nehemiah 2:18)

Just like Nehemiah’s team cheerfully responded to the invitation to rebuild and bring hope to the people of Jerusalem, let us come together as a team for Ukraine! Will you join Mulberry to begin the good work of rebuilding and keeping hope alive for His Church and the people in Ukraine?

We don’t know when this horrible war will be over, but now is the time to prepare for the day when peace returns to Ukraine. We can keep the hope for peace alive for our partners and ministries in Ukraine and invest toward that peace. We invite YOU to consider investing into **The Rebuilding Ukraine Fund** to fill Ukrainians’ carts with bricks and lumber, and fill their despairing hearts with hope.

The Rebuilding Ukraine Fund will be used for rebuilding churches, restoring ministry facilities, transporting refugees back into Ukraine, providing shelter and sustenance to orphans and displaced families, as well as equipping ministry leaders to bring hope and healing to Ukrainians. When God opens the doors for the rebuilding of Ukraine, we will be ready with bricks and lumber, but only with your help. **Will you invest today into The Rebuilding Ukraine Fund?**
